INDEXES TO THE MUSIC EDUCATORS JOURNAL

Numerous members have written headquarters inquiring whether or not the Journal is indexed. The answer is that each volume has been indexed since 1946. Reprints of volumes 33 through 45, covering the period from September 1946 through July 1959 are available for 50¢.

Beginning with volume 46, the Journal has been indexed in the final issue of each volume, which spans the six issues from September-October through June-July.

Reprints of volumes 46 through 51 (current volume) will be available during the summer of 1965. This reprint covers all issues from September-October 1960 through June-July 1965.
